

TJES Open Access Agreement

Subject to the acceptance of an article for publication in the Transdisciplinary Journal of Engineering & Science (TJES), author(s) should sign open access publishing agreement to establish the originality and provenance of the article and to give ATLAS the non-exclusive right to publish the Version of the Record of your article; you (the author(s)) retain copyright. This agreement incorporates the Creative Commons CC BY-NC 4.0 International license. Please mark the box in the PDF file to show your agreement.

Attribution (CC BY-NC 4.0 International): will allow others to share, make adaptations, tweak, and build upon your work non-commercially, provided the original work is properly cited. The authors can reuse their work commercially.

The book (reprint of the journal articles) as a whole is distributed by the Academy of Transdisciplinary Learning & Advanced Studies (ATLAS) under the terms and conditions of the Creative Commons license CC BY-NC-ND.

Article Title:

Author(s) Name:

For publication of the above listed article in the Transdisciplinary Journal of Engineering & Science (TJES), the Author(s) hereby agrees:

1. To grant ATLAS permission to publish the unpublished and original Article, the abstract forming part thereof, all associated supplemental material in the TJES under the Creative Commons Attribution License (CC BY-NC 4.0 International), <https://creativecommons.org/licenses/by/4.0/>
2. That further distribution of this work must maintain attribution to the author(s) and the published articles title, journal citation, and DOI.
3. Following item 2, author(s) will keep the publishing rights without restrictions.

Publisher's Covenant

The Publisher promises to send to the Author, within a reasonable time after the Article has been published, an electronic copy of the published version of the Article.

Warranties

- a. The Author represents and warrants that to the best of the Authors knowledge the Article does not offend any person, does not assault the privacy of any person, and does not in any other manner invade upon the rights of any person. The Author agrees to insure and hold harmless the Publisher against all such claims. The Authors are responsible from the information that they have provided in their article --ATLAS organization and TJES have no responsibility.
- b. The Author represents and warrants that the Author has full power and authority to enter into this Agreement and to grant the licenses granted in this Agreement.
- c. The Author represents and warrants that the Article furnished to the publisher has not been published previously.

Term

This Agreement shall remain in effect for as long as copyright protection subsists in the Article.

Payment

The Transdisciplinary Journal of Engineering & Science does not charge any publication fees, such as APCs (Article Processing Charges) and Article Submission Charges, for articles published in the journal.

The cost of the publications is subsidized by the Academy of Transdisciplinary Learning & Advanced Studies (ATLAS).
